18 April, 2018

Dear Sir/ Madam,

I am pleased to inform you that the Confederation of Indian Industry (CII) is organizing the 13th edition of Agro Tech from 01 -04 December, 2018 in the capital of two leading states of agriculture and food processing, Chandigarh , India. Agro Tech in CII's flagship initiative in the field of agro technology and an international business fair that attracts participation globally, besides large-scale involvement of the Indian agri & farming sector.

The main highlight of CII Agro Tech 2018 is the international participation. The International Pavilion provides an ideal platform for the overseas based agri-business to showcase their strength in agricultural, Agri-technology and food processing and network and establish business linkages with counterpart organizations & farming community in India. CII Agro Tech 2018 will provide tremendous opportunities to strengthen the bilateral Agri trade relationship and help drive new engagements in this important sector of the economy

I would be grateful if the information on the above mentioned event is disseminated among the concerned organizations/ relevant stake holders to ensure maximum participation. For further information on this event you may visit the following link: <http://www.agrotech-india.com/cii-agro-tech-2018>

I look forward to participation from your esteemed organization in the event to make it a success.

With regards,

(Deepak)
Second Secretary (HOC)
