Subject: India and Saint Vincent and the Grenadines sign MoU for Solar PV Project

The Government of the Republic of India and the Government of Saint Vincent and the Grenadines signed a Memorandum of Understanding (MoU) for the implementation of a Rooftop Solar Electrification Project in Saint Vincent and the Grenadines today, 6 October 2026, at Kingstown. The MoU was signed by H.E. Hon. Daniel Cummings, Minister of Health, Wellness, Environmental Health and Energy, on behalf of the Government of Saint Vincent and the Grenadines and H.E. Mr. Subhash P. Gupta, High Commissioner of India to Saint Vincent and the Grenadines with residence in Paramaribo, Suriname, on behalf of the Government of India.

2. The Solar Project was announced by Hon'ble Prime Minister H.E. Shri Narendra Modi during the 2nd India-CARICOM Summit held in Georgetown, Guyana, in November 2024. The signing of this MoU marks the delivery of that commitment and reflects India's continued partnership with CARICOM countries in the renewable energy sector.

3. Under the grant assistance, the Government of India will do the solar electrification of Argyle International Airport through the setting up of a Solar PV Project of up to 180 kW capacity. The Government of India will provide financial and technical assistance for the project, including the supply of the required solar power equipment, training, and technical support.

4. The MoU underscores the close and friendly relations between India and Saint Vincent and the Grenadines and their shared commitment to sustainable energy solutions and the transition to green energy sources. Both countries are members of the International Solar Alliance.

A few Photographs of the event are enclosed.
